

BOEING 737NG, 737MAX E/E MUFFLER P/N: JB-BBJ-EE08-2

Check out and get one of our Boeing 737 Electrical/Electronics Exhaust Muffler for cooling compartment exhaust. Silence that loud EE exhaust while on the ramp. Reduce the loud E/E fans dumping overboard under your Boeing by up to 70% with our custom muffler. Fast and easy to install and remove. Also prevents birds nesting in there while parked on the ramp.
